About emergency medical treatment

In the case of an injury or a sudden fever or illness, where you cannot decide whether the symptoms are serious or not, first of all go to a 'Primary Emergency Medical Care Hospital'. If the symptoms are clearly serious, do not hesitate to go to a Secondary Emergency Medical Care Hospital, or call 119 to summon an ambulance.

For details of Secondary Emergency Medical Care Hospitals, where patients with serious symptoms can be treated, contact Higashihiroshima City Fire Department (tel.: 082-422-0119).
